Civil Action No.

Donald Trump, a presidential candidate;)
Central Intelligence Agency, Defendants)

JURY TRIAL DEMANDED

Complaint

Plaintiff Frederick Banks, an American Indian & American Witch, werlock, and Wiccan who practices witchcraft files the foregoing Complaint and represents as follows;

1. Donald Trump, a Presidential Candidate during 2015 made statements and remarks that put American lives at risk in and out of the Continental USA including the plaintiffs. Trump for example made a statement that all muslims should be banned from the USA and a registry of muslims should be established as an approximate result of this negligent statement Plaintiff's life was put at risk in and outside of the prison he is confined in and abroad because the statement caused Thuggy muslims to act out on a plot for revenge and intimidation against all non-muslims including Plaintiff.

2. Trump had no idea at the time that he made the statements that he was in a CIA "Telepathic Behavior Modification" program (see FOIA document and term at cia.gov) in which the CIA and its operators at federal Contractor Booz Allen Hamilton working out of a NSA operations center in Hawaii used Synthetic Telepathy ("SIGINT" (Signals Intelligence)) to control and instigate and influence his outlandish behavior. The CIA sends wireless signals via satellite w/ GPS tracking to influence and control a human organism by remote means. This technology is referred to by the general public as "Voice to Skull" ("V2K"), bio-electric sensors, Remote Neural Monitoring, Microwave Hearing, Frey Effect, Microwave Auditory Effect and Gang Stalking.
